

**Ishaa Lobo** is a British Indian artist based in London. In her second year at university, she was shortlisted for the Macmillan Prize for Illustration. She loves building up layers of texture in her illustrations to give them a warm, tactile feel, and she enjoys drawing diverse characters.

“ I LOVE quirky, silly, yet heartwarming picture books that can be read every day. I'd love to illustrate anything from fun adventures to beautifully mundane stories that we can relate to. It would also be a dream to reimagine an old classic! ”
