

Kaley Bales is a freelance illustrator and designer, with a background in animation, graphic design, and product design. Her main sources of inspiration include the Pacific Ocean coastline, fresh produce, and any mainstream media made before the 1970s. Her debut book illustration deal with Chronicle will be announced shortly.

“**HONESTLY, I'D LOVE TO ILLUSTRATE** a *Hello, Dolly!* picture book! The clothes, the personalities ... I love it all!”
