

Troy Cummings spent all his time as a kid drawing goofy monsters and talking animals. As a grown-up, he pretty much does the same thing. He's written and illustrated more than 40 children's books, including *The Notebook of Doom* series (Scholastic) and the NYT Bestseller *Can I Be Your Dog?* (Random House).

“ I LOVE to draw colorful, kooky animals who make kids (and school librarians) fall on the floor laughing with every page-turn. Also: robots. Especially robots who wear little hats. ”
