

Yury Guzman is a Guatemalan American illustrator and comic artist. Her art centers around fantasy and queer themes. She works with digital mediums, her style focusing on playful linework and saturated color palettes to produce strong character-driven work. Her work incorporates a strong sense of narrative and facial expressions.

“ Friendships full of platonic love are great, and I wish I saw more of them. Add some wacky characters in fantastical settings where the focus is on the strong bonds between characters, and you've got my dream project! ”
